

A sterling silver pendant featuring a Tennessee agate cabochon—learn to make one for yourself!

**YES, you can!** Learn to solder a silver bracelet, professionally facet gemstones, wire wrap a pendant, shape and polish a cab and much more. Here in Tullahoma! **Let us show you how!**

**Learn the craft** of creating beautiful sterling silver jewelry set with your own sparkling gemstones. Right here in Tullahoma! For a fee so small that it will amaze you as much as our classes.

**The best kept secret** of jewelry making in Middle Tennessee is out. For over 7 years, delighted students at the Coffee County Senior Citizens Center have learned to safely and correctly create wonderful jewelry to enjoy, be given as unique gifts or sold as a profitable hobby. **Now, it's your turn!**

**Class times are scheduled to suit busy adults.** Classes meet weekly six to twelve times a quarter depending on the course. Friendly, knowledgeable instructors and all equipment are provided by the Mid-Tennessee Gem & Mineral Society, a not-for-profit organization.

**Let your creativity shine!** Sign up today!

**Who:** Adults 21 and older

Student made sterling silver bracelet set with a cabochon

**What:** Beginning and advanced levels will be offered in all classes.

**Silversmithing:** (creating jewelry in sterling silver by soldering and fabrication techniques);

**Lapidary:** (shaping and polishing gemstones such as amethyst, agate & opal into cabochons);

**Faceting:** (cutting faceted gemstones using materials such as topaz, ruby & sapphire);

**Wire Wrapping Arts:** (creating jewelry using sterling and gold-filled wire wrapping techniques)

**Other Special Courses** in Fused Glass and PMC (precious metal clay) may be offered

**When:** New quarterly classes begin the first week in April, 2010. Morning, afternoon and weekend classes will be available.

**Where:** Lapidary Building behind the Coffee County Senior Citizens Center located at 410 N. Collins St., Tullahoma

**How:** Sign up by phone **(931) 438-7000** beginning the week of March 15th, 2010.

**Cost:** \$45-\$70 per course

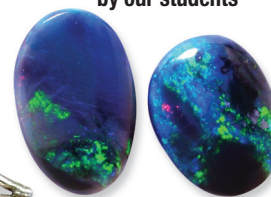

A faceting student shaping a gem

Semi-precious stones cut by faceting students

Black Opal cabochons and a wire wrapped pendant made by our students

Sterling pendant made in silversmithing class set with labradorite and zircon stones
